Statements-Bulk and Individual

Statement Options need to be set up in the Administration component.

To open the Administration component click on the **Administration** button in the main page of Centricity PM, click on the **Administration** icon location on the component toolbar, found in any component in Centricity PM or select **File/Open** and choose **Administration** from the tool bar.

Bulk (or Batched) Statements are statements that are generated based on a set of criteria and all patients meeting that criteria will receive a statement. An **Individual** Statement is one that is forced to print from either Billing, Collections, Patient Information or Payment Entry for a specific patient.
